

Blina Sopjani

Data Analyst | AI & Automation | Reporting & Visualization

Pristina, Kosovo • blina.sopjani@gmail.com • +383 49 764 351 • linkedin.com/in/blina-sopjani • github.com/blinasopjani

PROFESSIONAL SUMMARY

Fresh BSc graduate who turns messy data into clear decisions. Experienced across the full pipeline from data cleaning and SQL to Power BI dashboards and predictive models through real internships in Kosovo and the Netherlands. Passionate about finding smarter, data driven ways to solve real business problems.

EDUCATION

BSc Computer Science · Universum International College, Pristina *Oct 2023 – Jun 2026*

Big Data & AI Erasmus Exchange · Inholland University of Applied Sciences, Netherlands
Jan 2025 – Jun 2025

Coursework: big data pipelines, machine learning, and AI-driven analytics.

PROFESSIONAL EXPERIENCE

Python & Data Science Intern · Tectigon LLC *Feb 2026 – Apr 2026*

- Automated data processing workflows using Python, significantly reducing manual effort.
- Analysed and transformed large datasets with Pandas and NumPy to surface business insights.
- Designed and delivered automated reports and interactive dashboards in Power BI and Tableau.
- Applied predictive modelling techniques to support data-driven decision-making.
- Maintained strict data accuracy, consistency, and quality standards across all outputs.

AI Developer Intern · KPN - Netherlands *Jan 2025 – Jun 2025*

- Built an AI system to automate installation validation, reducing manual inspection workload.
- Developed and maintained scalable data pipelines for image data and metadata processing.
- Performed feature extraction and model optimization to improve result reliability.
- Produced technical reports and documentation for project stakeholders.

IT Instructor (Part-Time) · NdreqiNotat.com *Sep 2024 – Sep 2025*

- Delivered programming and problem-solving instruction across varied student skill levels.

Java & Web Developer Intern · Sharp Group LTD *Oct 2023 – Nov 2023*

- Built backend applications and web interfaces; integrated frontend with database systems.

SELECTED PROJECTS

- Candy Sales Data Analysis** - End-to-end analysis using Python, Pandas and SQL; built a relational database and an interactive Power BI dashboard tracking gross profit, units sold and revenue trends.
- World Happiness Data Insights** - Analysed global happiness trends across countries using Python; applied Linear Regression for prediction and KMeans clustering by socio-economic indicators.
- EcoMind AI** - Full-stack AI energy management app (React Native + FastAPI + PostgreSQL) with AI bill scanning via OCR, consumption dashboards, and a Random Forest savings predictor.
- Student Dropout Prediction** - Random Forest model for automated student risk classification; includes data preprocessing, feature engineering, and structured results reporting.
- Hand Gesture Recognition** - Real-time SVM/CNN recognition system with structured classification output pipeline.

TECHNICAL SKILLS

Data & Reporting	Python (Pandas, NumPy) · Excel (Advanced) · Power BI · Tableau
Databases	PostgreSQL · MySQL · MongoDB
AI / ML	Scikit-learn · YOLO · Computer Vision · NLP · Data Pipelines
AI Tools	Claude (Anthropic) · ChatGPT · Antigravity — research, analysis, automation & reporting
Programming	Python · Java · C# · JavaScript · Node.js
Version Control	Git · GitHub

CERTIFICATIONS & TRAINING

- Python & Data Science - ML, Data Analysis, PostgreSQL, Power BI, Tableau · Tectigon Academy, 2026
- Full Stack Development Bootcamp · Coders' Hub, 2024
- ERP Business Solutions (SAP) · Synergy, 2024
- C# · Udemy, 2025
- Design Thinking · Thomas More University, 2023
- Exploring Digital Technology, Innovation & Entrepreneurship · Universum International College, 2024
- Java Advanced & Basic · ROI Academy, 2023
- Digital Transformation Master Classes · Women in Tech Kosovo, 2024
- ASU Certificate of Innovation · Cintana Education, 2023
- Techstitution Programme · Beetroot Academy, 2022
- Web Development · ProbitAcademy, 2022
- HTML & CSS · ProbitAcademy, 2022
- Excel 2016 · INFORMATIKA, 2019

ADDITIONAL INFORMATION

Soft Skills	Analytical Thinking · Attention to Detail · Problem Solving · Teamwork · Time Management
Languages	Albanian (Native) · English (Full Professional Proficiency) · Dutch (Basic) · Turkish (Basic)
Driving Licence	Category B
